

AME International GmbH (AME) is a global healthcare technology solutions provider based in Vienna, Austria. We are focussing on sustainable healthcare technology projects in emerging economies and developing countries. To strengthen our team, we are looking for a

## Medical Engineer (m/f/d)

**Location:** Vienna with international willingness to travel (Asia & Africa)

### Your qualifications

- Completed university education
- Several years of professional experience - ideally completed by experience with construction projects
- Good technical & commercial understanding
- Independent and customer-oriented work
- Experience in the medical technology sector as well as knowledge of hospital workflows
- Very good knowledge of English and other foreign languages would be an advantage
- Interest in foreign cultures and willingness to travel
- Solution-oriented, networked and creative thinking as well as high flexibility
- High degree of assertiveness and implementation skills
- Self-evident handling of MS Office, Internet services and databases

### What we offer

- Independent and autonomous work
- Coordination meetings with customers, users (medical staff), authorities, architects and other project partners
- Coordination, planning and implementation of new projects depending on time and budgetary constraints
- Purchasing, delivery, installation & training depending on budget and contractual requirements
- Medical technology planning and preparation of technical specifications
- Relationship management with customers and suppliers
- Responsible and meaningful work

### We offer

Independent work in a committed and motivated team, a varied job with the opportunity to learn and develop. You can expect an attractive working environment with numerous social benefits and opportunities for further training. Please kindly send your application to [i.mayer@ame-international.com](mailto:i.mayer@ame-international.com).

### Does this appeal to you?

Then please send your written application with curriculum vitae and photo to our personnel manager Ms. Ilse Mayer: [i.mayer@ame-international.com](mailto:i.mayer@ame-international.com);
